

## Keep these supplies in the car and be ready for winter roads at their worst.

### Keep your passengers safe and happy.

#### Water & Snacks

Keep plenty around in case of emergency and/or backseat crankiness.

#### Warm Clothes

Be prepared to step away from the heated seats and change a tire.

#### Ice Scraper

Save time on icy mornings so you don't feel rushed on the road.

#### Phone Charger

For when you need to call for help—or pass the time waiting for a tow truck.

#### First Aid Kit

Keep plenty of bandages and extra medications on hand.

#### Flashlight

Have enough light to make repairs after dark.

### Minimize trip interruptions.

#### Tire Chains

Get the traction you need to make your way along snowy roads.

#### Full Tank of Gas

If the mountain pass closes, you'll be able to take the detour.

#### Jumper Cables

Help your neighbors when their battery goes out, or get yourself back on the road.

#### Flares

Signal for help or mark a safe area in case of a break down.
