Employment Practices Liability Insurance (EPLI)

Insure your business against unexpected legal claims.

EPLI is part of your comprehensive business coverage.

Businesses are **3x more likely** to be sued by an employee than to experience a fire.

The average cost for defending and settling a lawsuit is **\$160,000**.

Work-related legal action is on the rise.

Since 2000:
Employee lawsuits are up **400%**
Wrongful termination suits are up **260%**

Almost **75%** of litigation involves employee disputes.

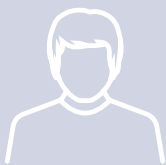

Small businesses are at risk too.

Companies with less than 100 employees experience 41% of employee lawsuits.

Even well-run companies can experience a lawsuit.

"We take good care of our employees."

"We have a great HR department."

"We have an employee handbook."

Legal costs for a false charge can still be **more than \$10,000**.
