MUTUAL OF ENUMCLAW

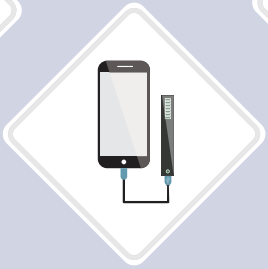

Keep these supplies in the car and be ready for winter roads at their worst.

Keep your passengers safe and happy.

Water & Snacks

Keep plenty around in case of emergency and/or backseat crankiness.

Phone Charger

For when you need to call for help—or pass the time waiting for a tow truck.

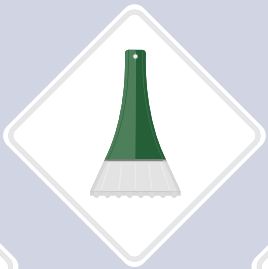

Warm Clothes

Be prepared to step away from the heated seats and change a tire.

First Aid Kit

Keep plenty of bandages and extra medications on hand.

Ice Scraper

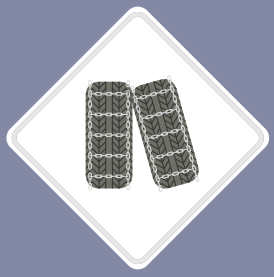

Save time on icy mornings so you don't feel rushed on the road.

Flashlight

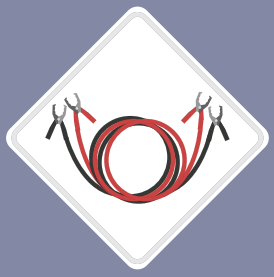

Have enough light to make repairs after dark.

Minimize trip interruptions.

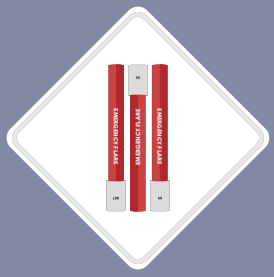

Tire Chains

Get the traction you need to make your way along snowy roads.

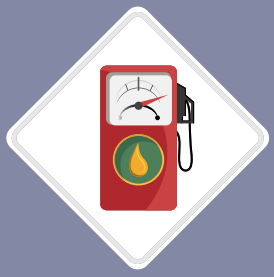

Jumper Cables

Help your neighbors when their battery goes out, or get yourself back on the road.

Flares

Signal for help or mark a safe area in case of a break down.

Full Tank of Gas

If the mountain pass closes, you'll be able to take the detour.

Thoughtful is how we do things.
